About The Conference

The **4th International Conference on Corporate Social Responsibility (ICCSR) - 2024** is going to be organized by Chandragupt Institute of Management Patna. The objective of the conference is to bring together academicians, researchers, practising managers, policy makers in the government and the industry, NGOs, industry professionals, students and all concerned from India and abroad to share their knowledge-expertise-experience on various dimensions of Corporate Social Responsibility (CSR) for an enhanced effectiveness and applicability. The conference aims to provide a common platform for exchange of latest advancements, creative views and insights on the theme **CSR and Rural Development: leveraging Opportunities**.

Concept Note

The role of Corporate Social Responsibility (CSR) and Environmental, Social & Governance (ESG) is very important and relevant in today's world, especially in the context of rural development, because the rural economy faces numerous socioeconomic, technological, and environmental challenges.

The goal of this year conference is to assess the existing "myopic vision" of CSR by providing business, governmental, and academic scholars and views of youth with a bigger perspective that will hasten societal growth.

Conference Theme

CSR and Rural Development: leveraging Opportunities

This year the conference is planned to be organising in three segments.

1st Academic or policy segments: Targeting research scholars, other academicians to engage in brainstorming sessions, presenting their research and views through, paper submission and invited lectures.

2nd Corporates and practitioners: Corporate CSR leaders and

Development thinkers will be invited to share their experience through platform like; panel discussions, corporate presentations, case study etc.

3rd Student segment: A third segment will provide platform for youths to present their ideas, to talk and participate.

Research papers are invited on various aspects of Corporate Social Responsibility (CSR) with other domains including but not limited to, the following sub-themes:

1. Sustainable development, Sustainability, Sustainable goals
2. CSR and Development of Rural, Urban, Coastal ecosystems
3. Ethics in Business
4. Food Security, Food Management,
5. Climate Change, Mitigation, Climate adaptation, Climate Smart Technology
6. Conservation of Biodiversity
7. Waste Management
8. Education for All
9. WASH, Public Sanitation (Swachh Bharat), Community Healthcare
10. Pollution Control
11. Technological Evolution, Digital Revolution and Cyber Security
12. E-Traffic, E-transport, Smart Cities

13. Empowerment of Marginalised Communities, Gender issues

14. Disaster and Risk Management

15. Inclusive Growth and Development

16. Financial Inclusion

17. CSR and Agribusiness

18. G20 and Sustainable Development

About The Institute

Chandragupt Institute of Management Patna (CIMP) was established as an autonomous institution in 2008 with active support from the Government of Bihar. CIMP was established in the pattern of IIM A in Bihar to give a boost to management education in Bihar and to support the state in terms of research and consultancy in the areas of management and beyond. CIMP offers full-time AICTE Approved, NBA accredited, and AIU recognized Post- Graduate Diploma in Management Programme; full-time AICTE approved Fellow Programme in Management (FPM) and Executive Programme in Management (EXPM) for the officials of the Government of Bihar and executives/managers from various industries/corporate. Apart from this, CIMP also provides short-term Training Programmes, Research and Consulting services for various departments, agencies and bodies of the government and the corporate. CIMP is in Rank Band: 101-125 (Management Category) by NIRF 2024 in the National Institutional Ranking Framework (NIRF) India Rankings 2024. CIMP stands at 60 in the 2024 Indian Institutional Ranking Framework (IIRF) among government institutions in Management education.

The recently established CIMP Centre for CSR and ESG Studies Foundation closely work in the field of CSR and ESG with an objective of engaging multi-stakeholders including policymakers, corporates and academicians on issues of environmental challenges, disaster mitigation, sustainability, energy efficiency etc. The activities of this centre includes training, research and information dissemination.

Keynote Speaker

Prof. (Dr.) Vijaya Gupta, Professor, IIM Mumbai

Prof. (Dr.) Vijaya Gupta is a distinguished professor at the Indian Institute of Management (IIM) Mumbai, specializing in economics and strategy with a focus on environmental and developmental issues. Her extensive research interests cover

socioeconomic impacts of climate change, environmental policy, and the adaptation strategies required for climate resilience, particularly in agriculture. She has contributed to numerous national and international conferences, such as the International Growth Centre (IGC) at the London School of Economics and Political Science.

Dr. Gupta's academic achievements are significant, having earned a PhD in Economics. Her scholarly work includes numerous publications on topics like environmental economics, industrial productivity, and socioeconomic adaptation to climate change. She is recognized for her research on climate change impacts on rural migration and agriculture, as well as for her analysis of environmental valuation in India.

She is also highly regarded as an expert reviewer for the Intergovernmental Panel on Climate Change (IPCC) and has been invited to global events like the World Climate Conference. Additionally, Dr. Gupta has served as an editor and reviewer for several reputed journals in the field of environmental and resource economics.

Her contributions extend to impactful policy discussions, where she has been a panelist on topics related to climate-resilient farming in developing countries.
