MoU with Bihar State AIDS Control Society

Bihar State AIDS Control Society envisions a state where every person living with HIV has access to quality care and is treated with dignity.

The MoU aims to educate youth on HIV transmission, prevention, and myths and misconceptions using peer educators. Red Ribbon Club aims to reinforce healthy behaviours and skills that help young people stay safe. The programme provides a safe, non-judgmental space for young people to discuss their difficulties and encourages them to use existing services like HIV testing and counselling.
