Pre- Press Release

Chandragupt Institute of Management, Patna (CIMP), Bihar and SGT University is organising an event, “Higher Education Leaders Conclave 2025”, on 25th July 2025 at Shooting Floor, A Block, Shree Guru Gobind Singh Tricentenary University Campus, Gurugram, from 9:30 am - 5:30 pm.

The event is being organised in collaboration with the University of Lucknow, Uttar Pradesh; University of Jammu, Jammu and Kashmir; Vinoba Bhave University, Hazaribagh, Jharkhand and Chandragupt Institute of Management, Patna, Bihar.

The event themed “Reimagining Indian Education: Legacy, Policy, and Nation Building in the Light of NEP 2020” is being organised to commemorate five years of the National Education Policy (NEP) 2020. The discussion at the event will be on exploring the role of education in shaping civic consciousness, cultural identity, and national integration. The experts will also be suggesting the roadmap for strengthening and transforming the education system in India and suggesting the ways to implement a learner centric approach for its next 5 years plan, i.e. 2025-2030.

The event will feature five parallel discussion tracks covering topics like education for social transformation, academic freedom and institutional innovation, innovative pedagogies for skill alignment, language and Indian knowledge traditions, and the future of STEM education under NEP.

Prof. Hemant Verma, VC, SGT University gave introductory note, he said “As we mark five years of NEP 2020, this conclave offers a vital platform for academic leaders to reflect, collaborate, and shape the future of Indian education. SGT University remains committed to fostering dialogue and innovation rooted in our rich heritage and forward-looking vision.”

Prof. Dr. Rana Singh, Director, CIMP said “The New Education Policy 2020 is not just a reform; it's a renaissance that reconnects India's ancient wisdom with the aspirations of its future, forging an education system that is rooted, yet radically progressive.”

Shri Kumod Kumar, Chief Administrative Officer, Chandragupt Institute of Management, Patna, Bihar, speaking on the occasion said, “I am grateful to be part of this iconic event and share the stage with academic leaders from all over.” He further added, “As per my experience, I think to elevate India into a global innovation hub and knowledge economy, forging strong, inclusive education partnerships is essential. We must synchronise educational policies, academic curricula, and financial support systems to advance translational research and drive the transformation of scholarly innovations into real-world applications. We must collaborate with leading global institutions to promote cross-border research, joint degree programmes, and knowledge exchange”.
