Students Activity Body

A lot of learning in a business school happens outside the classrooms. At CIMP, campus life outside classrooms is full of activities. CIMP has several actively groups, committees and clubs run by students. Working together in small teams help students to understand the importance of team work. Students engage in a lot of recreational activities making the campus life vibrant.

Alumni Committee

Alumni Committee of CIMP serves as a dynamic bridge connecting CIMP, its distinguished alums, and the industry in pursuit of the institute’s vision and shared aspirations. It celebrates alums for their professional excellence and societal impact, fosters career growth and lifelong learning for students and alumni, inspires outstanding and diverse talent to become part of the CIMP community, and actively strengthens the institute’s presence and reputation across professional and global networks.

Academic Committee

The committee plays an important role in upholding and developing the academic standards at CIMP. It is an interface between the students, teachers and the PGP office. Academic committee assists in collating student’s feedback, arranging remedial classes and help students enhance communication skills.

Saarang – The Cultural Committee

Saarang, the cultural committee, is responsible for organizing and managing all cultural events at CIMP. It brings in a refreshing breeze to the otherwise rigorous lives of management students by providing them with opportunities to showcase their talents. For Saarang, “Innovation is a routine and creativity, a habit”. Saarang organizes major events like inter business school festivals provides hands- on management experience to budding managers. The committee has successfully hosted concerts by eminent musicians in association with SPICMACAY.

Editorial Committee

The committee aims to nurture creative, thinking and writing abilities of the CIMP student community. The members approach potential contributors to provide content by writing occasional editorials and other short articles for CIMP newsletter.

Spardha – The Sports Committee

Spardha – The sports committee manage all the sports related events in the campus. Spardha’s motto is to keep its future managers active and fit by participating in various indoor and outdoor games. This committee organizes annual sports events. The committee is also responsible for maintenance of sports infrastructure in the campus.

Sangoshthi–Media & Seminar Committee

This group coordinates and ensures media interface of seminars, conferences organized by the institute. The members are responsible for compering the seminar. The members summarize the main content of the seminar and document the entire programme. The committee is responsible for press releases, generating content and facilitating press conferences.

Adovation–Advertisement Committee

The Adovationcommittee connects CIMP with the people through social media platforms & professional websites like Facebook, Twitter LinkedIn, Instagrametc. It helps in promoting the activities happening in the campus.

Fest Organizing Core Committee

The main responsibility of the committee is to conduct national level business fest annually. Members are supposed to propose the budget, take the initiative to raise funds to run the fest, prepare a programme layout, invite participants from other business schools and arrange logistics to support the fest.

IT Committee

IT committee takes care of IT requirements including campus intranet, installation of software and troubleshooting. The IT Committee acts as a liaison between the students and the Computer Centre to fulfill the requirements of software, educational documentaries, journals, e-books etc.

Aahar–Mess Committee

The mess committee monitors the smooth functioning of the students’ mess. Hotel & Mess is an integral part of CIMP community and aims at providing hygienic, nutritious and homely food to the students.

Placement Committee

Placement Committee coordinates CIMP’s placement activities. The committee tries to match the requirements of the corporate world with the expectations of students and facilitatein a smooth placement process. The committee also works closely with the industry to receive feedback on the institute’s curriculum and students’ competencies and performances.

Samvedna–Social Marketing Club

Social Marketing Club (SMC) is an innovative initiative of CIMP which acts as a catalyst for the development of Bihar. The Social Marketing Club engages in creating awareness among students regarding social responsibility. Social Marketing concept is frequently used for bringing change to socially accepted attitudes and behaviour in diverse areas such as use of seat belts in cars, drug abuse, smoking, organ donation, waste disposal, traffic sense etc. SMC is a one-of-its-kind initiative in the Indian management education space.

E–Cell- The Entrepreneurship Cell

E-Cell (The Entrepreneurship Cell) is a committee run by the students of CIMP that aims to unearth the latent entrepreneurial spirit of the young students. The mission of the E-Cell is to host workshops, guest speaker sessions, innovative games, and competitions for aspiring entrepreneur. E-Cell supports the budding entrepreneurs by providing necessary resources such as seed funding, mentoring, consultancy and networking. First time in India, CIMP has initiated ‘Women Entrepreneurs’ cell.
