ABOUT THE PROGRAMME

The Faculty Development Programme (FDP) on *Course Outcome (CO) and Programme Outcome (PO) and Programme Educational Objectives (PEO) (CO-PO-PEO)* of the Chandragupt Institute of Management Patna, (CIMP) aims at the professional development of faculty members of educational institutions in India. This training will help participants understanding the mapping of course outcome and programme outcome, preparing course attainment, preparing rubric, preparing programme level direct and indirect attainment. CIMP is pleased to announce its 4th FDP on “CO-PO-PEO”, which will be offered during 29th June to 03rd July, 2026.

RELEVANCE OF THE FDP ON CO-PO-PEO

An FDP on CO-PO-PEO is crucial in aligning educational practices with the goals of the National Education Policy (NEP) 2020. NEP emphasizes a holistic, multidisciplinary approach, requiring faculty to design curricula that promote critical thinking, skill development, and employability. Through this FDP, educators can better understand how to formulate and assess CO-PO-PEO, ensuring the integration of NEP's vision into academic programs. This alignment enhances learning outcomes, fosters innovation, and helps institutions meet national standards in producing competent, socially responsible graduates.

FOR WHOM

The FDP is designed for faculty members and research scholars of educational institutions working in management schools, universities, colleges and professional institutions.
